Why Choose That Tees?

1. Using 280gms super-thick fabrics, no perspectivity when wear pure white tees. Not only for leisure time, but also for office and interview.
2. With thickened and densified process, the tee thick and solid.
3. The fabric is compact, wear-resistant and not easily deformed.
4. 100% high quality long-staple cotton, moisture absorption and perspiration, soft and comfortable.
